Eternal Anatomical Gift is a unique Willed Body Program located in Traverse City, Michigan, USA. Our donors donate their whole bodies, no remains, to be used *eternally* in the advancement of medical science, teaching and study.

Pursuant to the provisions of Act 368 of the Public Acts of Michigan 1978, I hereby give my body, to be delivered after my death, as provided in the aforementioned law, to Eternal Anatomical Gift.

However, if my next of kin should grant permission to perform an autopsy, which is deemed necessary, then my body is to be buried at the expense of my estate or next of kin and notification thereof given to the donee.

At the time of death, and pursuant to the provisions of the before mentioned Act, this gift may be accepted or denied.
